Dredging and Shipping

<http://www.baltcoast.net/case-study-sites.html>

All you have to do..

- Download the indicator-based tool on BaltCoast website:
Tools & Integration → Evaluation Tool →
<http://www.baltcoast.net/indicators.html>
- Apply indicator set on case study with hypothetical scenario
- Information about case study sites on BaltCoast webpage and summer school training material
- **Does the indicator effect the measure?**
- Additional indicators are welcome (indicator/measurement/units)
- Discussion in groups
- Presentation of results

Thank You!
